Agri-Fab Launches New Swivel Cart

Durable utility “12” poly swivel cart cleans up quickly and lasts for years

Sullivan, IL – Agri-Fab, Inc. is pleased to introduce its new utility “12” poly swivel cart (model #45-0573) to customers tired of moving material around their yard one bucket at a time. This easy-to-use cart can be assembled in only 15 minutes and offers swivel and quick dump features for flexibility in moving materials right where you want them.

With its durable poly construction, the new swivel cart is strong enough to carry heavy loads of up to 700 lbs. over uneven terrains with its 16"x4" pneumatic tires. The utility cart provides an 80° swivel, which saves the hassle of backing up the cart. Plus, the foot lever and 52° dump angle allow large loads to be dumped in the perfect spot the first time.

“Moving material and cleaning up yards is easier than ever with Agri-Fab’s new utility ‘12’ poly swivel cart,” said Hilary Conner, Vice President of Sales and Marketing for Agri-Fab. “Homeowners don’t have to spend time backing up the cart to drop material as the swivel and dump features provide quick and precise unloading capabilities.”

With a 5-year limited warranty, you receive the added security that the utility “12” poly swivel cart will serve you well for years to come. You can find this and all our products at several online retailers or one of the many select Agri-Fab retail partners nationwide.
